MEMORANDUM FOR DECENTRALIZED CONTRACTING OFFICES

FROM: HQ OSSG/KABH
501 East Moore Drive
MAFB-Gunter Annex, AL 36114

SUBJECT: Second Change in QEB0504 vendor for 17 inch monitors

1. Dell is replacing Gateway as the vendor supplying 17 inch monitors as of 1930 EST on 28 Sep 05 with pricing at \$225.00 CONUS and \$229.00 OCONUS. A second change in the 17 inch monitor supplier at this point in the end-of-fiscal-year (EOFY) is extremely undesired by all parties. However, OSSG is trying to keep an alternative solution in this product category for our AFWay customers using the decentralized ordering process through 30 Sep 05.
2. Dell Contact information is already identified in the contracting officer guidance for QEB0504 decentralized orders.
3. If you have any questions, please check the attachments posted to EOFY QEB0504 on the AFWAY website. If these attachments do not answer your question, please contact me at DSN 596-2312, Comm (334) 4165-2312, or email at paul.schaum@gunter.af.mil

A handwritten signature in black ink, appearing to read "Paul H. Schaum", is written over a horizontal line.
